Message from the Principal

Hello Otay Families!

Thank you to all our families who joined us for Back to School Night last week.

Please read below regarding our planned Lockdown Drill and Practice taking place this week.

Let's have a wonderful week Falcons!

LOCKDOWN DRILL & PRACTICE

Dear Parent or Guardian:

On Tuesday, August 16, Otay Elementary School will be conducting a lockdown drill with our District Emergency Procedures and Security Manager and CVPD.

Lockdown drills, as well as secure campus, and shelter-in-place drills are required by the Chula Vista Elementary School District. Fire, earthquake and bus evacuation drills are required by the State of California. We take these drills seriously, as we know that it is in practicing that we are better able to respond should a real emergency happen.

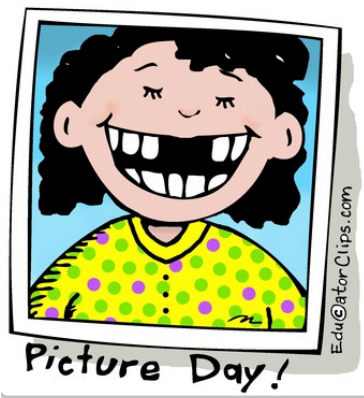

It is regrettable that we must plan and practice for such possible occurrences, but, in light of tragedies on other school campuses, such drills are essential for the safety of our children

Please discuss the seriousness of such drills with your child. Working together we can ensure that the educational process continues in the safe, uninterrupted environment that our children deserve.

Sincerely,
Mrs. Delgado
Principal
